<https://www.fireprotectionsystem.in/>

We are famous among the eminent manufacturers, exporters, traders, importers and suppliers of an impeccable array of Fire Protection Products. Along with this, we are also offering Installation.

## About Us

"**Fire Knock**", has gained regard among the prominent manufacturers, exporters, traders, importers and suppliers of best quality Fire Protection Products within the few years of its incorporation in **2014**. Comprising of Linear Heat Sensing Cable System, Fire Hydrant System, and Fire Sprinkler System, the offered range is manufactured and designed from optimum quality basic material in strict adherence with the industry accepted quality norms. Our offered range is highly appreciated and demanded by our clients for their optimum quality and application specific design. **Additionally, we are also offering Installation and Maintenance Services to our valued clients.** Apart from this, these offered products are installed in Commercial buildings, Hotels, Movie theatres, Malls, Hostels, Colleges and many more fields for fire safety purpose. **We are importing from UK, US, Australia and exporting in African Countries.**

We have constructed a state of art infrastructure unit at our end over a large area of land that is equipped with all the useful modern machines and equipment, which helped to achieve the firm's targets. Guidelines and approval for offered products are available from various national and international organizations like NBC, TAC, IS, NFPA, FM and Local Fire Authorities. Our employees work as a team to create a productive and hassle free working environment at our workplace. Owing to this productive working environment, we are able to...
